NORTH CAROLINA, May 28, 2002 - Peter J. Odermatt, Managing Director/Senior Partner of MRI Worldwide of Zürich-Wallisellen, CH is one of the newest professionals selected for inclusion in International WHO'S WHO of Professionals.

Inclusion is an accomplishment in itself. International WHO'S WHO of Professionals recognizes the achievements of qualified professionals while simultaneously providing a practical, reference-quality, business-to-business directory of its exclusive membership. Membership and biographical listings in the International WHO'S WHO of Professionals directory is a highly selective process. New members are selected following an in-depth interview and biographical review.

Mr. Odermatt has an impressive professional background. MRI Worldwide (Management Recruiters International) is the largest executive search and recruitment organization in the world. Established in 1965, the Company operates 1,000 offices in North America, Asia, and Europe. MRI Worldwide offers a full range of staffing and employment services to clients doing business in 35 countries and is a subsidiary of CDI Corporation, an international staffing, outsourcing, and engineering services provider based in Philadelphia, Pennsylvania. Specializing in filling vacancies in the ever-evolving information technology, telecommunications, and private banking sectors, MRI Worldwide conducts complete background checks to verify the accuracy of an applicant's employment information. MRI Worldwide utilizes the talents of 5,000 search professionals who facilitate single searches for a key manager. Successfully taking on major projects involving hundreds of assignments for a single client, MRI Worldwide is broken into three separate divisions that are responsible for more than 34,000 placements annually. The Company additionally provides a wide portfolio of services to clients, including project outsourcing, video conferencing, compatibility assessments, and relocation assistance. Headquartered in Cleveland, Ohio, MRI Worldwide reports annual revenue of \$750 million. Serving as Managing Director and Senior Partner since 1999, Mr. Odermatt successfully administers the daily operations of the Company's office in Zürich-Wallisellen, Switzerland. He supervises 35 employees while developing a client base and establishing marketing plans. Mr. Odermatt demonstrates a high level of administrative competence while overseeing the hiring and training of Company employees and monitoring all accounting functions. This attention to detail was instrumental in garnering two awards for his office that recognized its growth and efficient operation. Additionally, he provides instrumental leadership and guides internal operations that drive expansion initiatives. Mr. Odermatt is a caring and hands-on manager who has established a close working relationship with all his employees. Retaining overall accountability for providing strategic business direction, Mr. Odermatt works one-on-one with clients to analyze
